Medical Information Needed for a Rated Age

Basic Information

- Name
- Date of birth
- Gender
- History of illness/injury, including date of accident or diagnosis
- What is the level of environmental care being provided?
- Pertinent past medical history: Any other significant health conditions (these may be unrelated to the current action or lawsuit)

Required Medical Records

- Medical discharge summary from the original hospitalization
- Report from medical examination at the time of the injury.
- Most recent medical examination by a physician, as up to date as possible.
- Reports of all significant hospitalizations, surgeries and rehabilitation reports.

Non-useful Information

- Depositions, letters from attorneys and videotapes
- Daily progress notes and nursing notes
- Accounts of medical reports by third parties who are not licensed medical practitioners
- Authorizations, bills and duplicate records

General

- Medical impairments unrelated to this action are relevant to the underwriting process.
- Normally only those medical records signed or written by a physician are reviewed.
- Please DO NOT highlight records as it becomes unreadable when faxed.
- Please fax the medical records to (650) 903-4141.
- If there are more than 30 pages, please call first.
